ZENN. Artful simplicity.

No detail or ornamentation interrupts its unpretentious presence. That's the beauty of ZENN by Multiline from Belgium. It is, pure and simple, a recessed pocket of light. Yet it takes many forms, including ZENN LED, an elegant 2x16-inch luminaire emitting a subtle glow in any of 7 colors.

RED

AMBER

GREEN

CYAN

BLUE

WARM WHITE

COOL WHITE

ZENN LED offers a choice of seven colors.

Smaller ZENN luminaires discreetly accent floors or ceilings; larger ones project higher levels of illumination where needed. You can face ZENN's lamps up or down. Choose smooth or ribbed aluminum reflectors. Installation is easy – electronic ballasts and transformers are integral; no back box or special mounting hardware required.

Six sizes. Endless design possibilities.

Zenn T0
4" x 4"

Zenn T1
4" x 10"

Zenn T2
4" x 18"

Zenn T3
8" x 10"

Zenn T4
10" x 14"

Zenn LED
2" x 16"

ZENN fixtures can be used to create a light "gallery" to add visual interest to a wall.

Product details.

- Creates a recessed pocket of light
- Six fixture sizes available
- ZENN LED available in seven colors
- Simple installation – no back box or special mounting required
- May be mounted with lamp facing either up (above eye level) or down (below eye level) for dramatic lighting effects
- Choose either smooth or ribbed reflectors
- **ADA compliant**

CONSTRUCTION Fixture body is constructed of steel. Curved reflector is constructed of aluminum.

FINISH Fixture box and flange are finished in polyester powder coat. Curved reflector is a natural anodized aluminum.

SHIELDING Lamp opening is covered with a clear-glass lens except in T1 and T2, where glass-enclosed MR-16 lamps are required. ZENN LED has no lens. Choose smooth or ribbed reflector.

ELECTRICAL 120V or 277V. Integral ballast, transformer, or LED power supply in back box.

MOUNTING No back box or special mounting hardware required. Fixture may be installed with lamp facing up or down. Fixture may be mounted in plaster or drywall up to 5/8-inch thick.

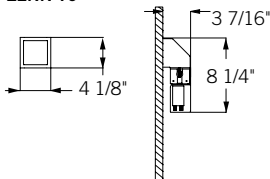

See product specification sheets at www.energielighting.com for complete details.
