

LEVEL WALL 2'

énergie™

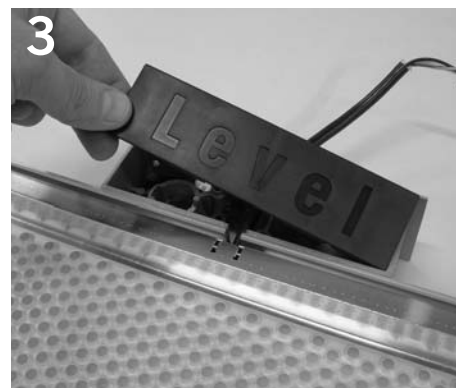

Installation Instructions

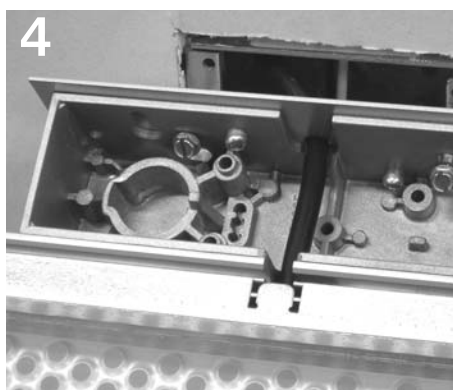

1
Install Energie junction box horizontally into wall.

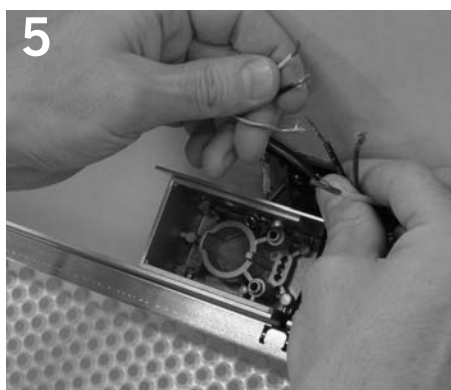

2
Install mounting screws with washers in center hole on each side of Energie junction box. Do not tighten screws.

3
Remove plastic cover plate from fixture back box.

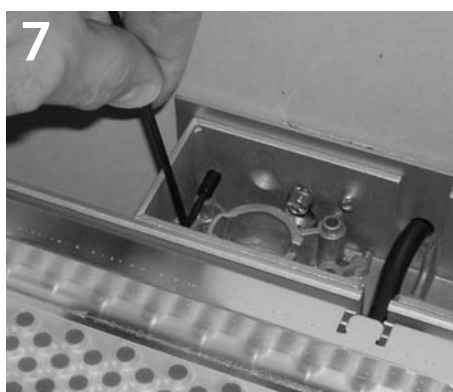

4
Install fixture over mounting screws by sliding head of screws into key holes in fixture back box.

5
Make electrical connection and push wires back into junction box.

6
Tighten mounting screws to secure fixture to wall.

7
Level fixture by installing and tightening set screws.

8
Replace plastic cover plate. Install lamps in accordance with relamp label.

Product to be installed by qualified electrician only.
