

LUCEO WALL WASH - GRID CEILING

énergie™

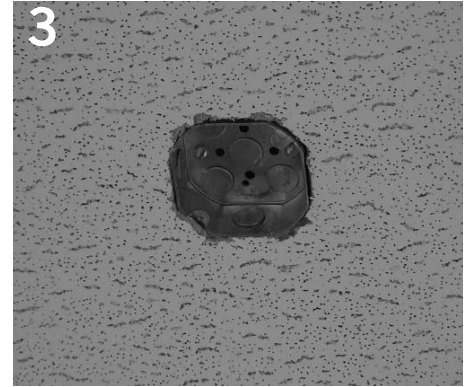

Installation Instructions

1
Install splice clip into slot at each end of mounting bar.

2
Snap splice clips and mounting bar assembly onto top side of ceiling grid T-bar. Distance between mounting bars is noted as "MTG" on dimension drawing. Wire to structure as required.

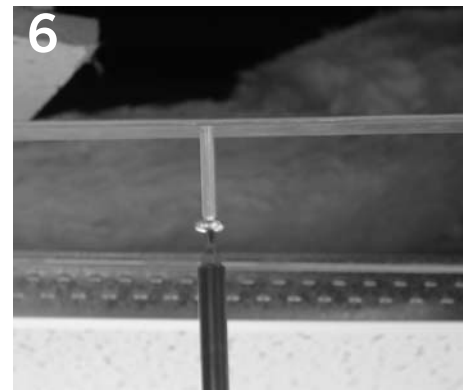

3
Install octagonal junction box (not provided) into ceiling. See dimension drawing for junction box placement.

4
Loosen - DO NOT REMOVE - (2) screws securing reflector.

5
Remove reflector.

6
Start provided screws in mounting bar as shown.

7
Raise fixture into place. Slide mounting clips over screws and tighten to secure fixture.

8
Make electrical connection through access holes.

9
Push connections back into junction box.

Product to be installed by qualified electrician only.
